Daniel Island Academy Announces Open Enrollment

DANIEL ISLAND, South Carolina (December 27, 2010) – Beginning on January 18, Daniel Island Academy will offer Open Enrollment for the 2011-12 School Year for its preschool and kindergarten programs. Current students and their siblings may be re-enrolled in advance. Enrollment is offered on a first come first served basis.

“We are at or near capacity in all current year programs, so we encourage parents to not wait to finalize their plans for the upcoming 2011-12 School Year,” stated Kerry Nowosielski, School Director. “We expect some programs to be operating from a waitlist, but it is important to note that our school serves some 218 students and openings will occur throughout the year as families move or their needs change.”

Enrollment forms are available on line at www.danielislandacademy.com or by calling the school's front desk at 843.971.5961. Daniel Island Academy is accredited by the National Accredited by the National Association for the Education of Young Children (NAEYC) and offers Full Day, Half Day, and Mother's Morning Out programs, plus a full day Kindergarten program with afterschool care included at no additional charge. Full Day programs offer a “fee simple” tuition plan with no extra charge for lunch, snacks, field trips, and school supplies.
