

## Mother's Morning Out

9am – 12 pm for children 12-30 months  
Reservations Available Daily

### **Why?**

Socialization, ease of transition to a pre-school classroom, or just a few mornings a month of creative play are all good reasons to join the MMO program at Daniel Island Academy.

### **Who?**

The MMO program is great for families in need of flexible care. Families on the Waiting List for Full Day programs should consider MMO for socialization and ease of transition when a classroom space becomes available.

### **What?**

Up to 10 children per day with 2 teachers leading them through an age appropriate daily schedule, including outdoor time and a nutritious morning snack. As with all half day and full day programs, our MMO offers the Creative Curriculum.

### **Where?**

MMO students are dropped off and picked up in the MMO classroom #110 on the Toddler wing at Daniel Island Academy. They also visit the playground and multi-purpose room during their class day.

### **How do I join the MMO Class?**

All new students at Daniel Island Academy are required to submit a New Student Enrollment Packet along with a \$125 new student application fee. MMO cards are purchased for \$380 and are good for 10 visits. The card is good for up to one year. Any unused portion of a MMO card can be rolled over into another program.

### **Can MMO students stay for Lunch Buddies and Enrichment Programs?**

MMO students are welcome to stay for Lunch Buddies, a daily lunch program that includes a nutritious lunch and creative play. Lunch Buddies cards may be purchased for \$90 and are good for 10 visits, and are good for one year from purchase. Reservations for Lunch Buddies must be placed no later than 9am the day of service. MMO students are also invited to participate in our supplemental Enrichment Programs offering dance, gymnastics, science and art.

**For more details, please contact Daniel Island Academy at 843.971.5961 to make an appointment to tour our facility and discuss pre-enrollment requirements**
