

Daniel Island Academy

Spanish Language Academic Program
School Year 2019-2020

Expresate (Express Yourself) is Daniel Island Academy's Spanish language program based on a total immersion model in which a native Spanish speaking teacher will lead students in all of their normal preschool activities, including play, stories, songs, games and arts & crafts. The children will learn to follow simple instructions, will be able to ask and respond to simple questions, will learn greetings, as well as be able to recognize grouped vocabulary such as food, family, animals, numbers and colors. They will learn the days of the week, months and weather – all in Spanish. The children will have fun developing a lifelong love for Spanish, while participating in a full schedule of enrichment activities.

Schedule: One class (not to exceed 12 students) is offered in 45-minute sessions, twice weekly, during the regular school year from August 12, 2019 to May 13, 2020.

*****Classes will be conducted on Mondays and Wednesdays @ 12:45 – 1:30 p.m. **NO CLASS: December 23 & 30****

"If there is one enrichment program to select for your child, Expresate is the perfect choice. A full array of activities are offered throughout the year, including arts and crafts, music, games and story time, but all done in Spanish. What a great way to encourage your child's understanding of a foreign language while participating in all things that children love!"
